Detached 4 bedroom, 3 bathroom villa with living room/dining room, kitchen, office and garage. With a build size of 228m² and set in a plot of 3690m²

Set in the countryside and approached via a long driveway, this detached property consists of a large living/dining room with fireplace and access to outside terrace, kitchen, shower room, 2 family bathrooms, 4 bedrooms and an office that could be used as an additional bedroom if required.

The villa's layout allows for it to be used as one big family home or it can be divided so that part of it can be used for guests or family with its own independent access.

Outside there is plenty of space for a swimming pool. A covered terrace allows for outdoor dining and the garden is full of mature plants and fruit trees.

A lovely property just a short drive from the beautiful beaches and golf courses the central Algarve has to offer.
